# **Community Messengers**

Thank you for stepping forward for this very special opportunity to share news locally about HGRBS "Free Service Policy." If you opt to be a messenger to your community, you can start any time most suitable to you and the public establishments you visit. HGRBS offers free information online for residents of private homes.

This information helps them to make safer and wiser choices about the home improvement contractors they hire.

In some cases, there are dishonest home improvement contractors who also prey on our disabled, seniors, and women.

HGRBS shares free information which helps residents know how to select the best. There is also lots of free information to help residents resolve issues which may arise. All services are free. HGRBS is self-sufficient. Subsequently, as a volunteer Community Messenger, you are basically dropping off at your community center (or other social organization) a flyer about the availability of HGRBS' "Free Service Policy." The flyer contains the link to the actual "Free Service Policy" page which explains it all.

If you have not registered with VolunteerMatch, please do. Connect with HGRBS via their easy-to-use online resources. You can really make a difference for residents in your area just by dropping off the flyer about our "Free Service Policy" at your own community/neighborhood center. Good luck!

**If you have not yet registered via VolunteerMatch and communicated with HGRBS via that means, here is how you can begin this caring process: Register. Here is your link to VolunteerMatch:**
