Community Messengers

Great! You are here! Thank you for stepping forward for this very special opportunity to share the news locally about the HGRBS "Free Service Policy." You will only do this (if you opt) at a time most suitable to you. Our non-profit offers free information online for residents of private homes. This information helps them to make safer and wiser choices about the home improvement contractors they hire. In some cases, there are dishonest home improvement contractors who also prey on our disabled, seniors, and women.

We share free information which helps residents know how to select the best. We also have lots of free information to help residents resolve issues which may arise. We do not charge for anything. We are self-sufficient. Subsequently, as a volunteer Community Messenger, basically you are just dropping off at your community center (or other social organization) a flyer about the availability of our "Free Service Policy." The flyer contains the link to the actual "Free Service Policy" website which explains it all.

Please, connect with Special Assignments for the flyer and for tips on how you can really make a difference for residents in your area just by dropping off the flyer about our "Free Service Policy" at your own community/neighborhood center.

THANK YOU FOR STEPPING FORWARD!
